Advancing Health Care Access

- Haskell County residents made 6 visits to KU Medical Center health care providers in outreach clinics held outside of Kansas City in Fiscal Year 2014.

“Jayhawks are extremely successful in many fields of endeavor with worldwide impact. We should not forget the positive impact KU business leaders and graduates have throughout the state of Kansas. Kansans benefit in so many ways from the mission of the University of Kansas. We have an obligation to protect higher education and strengthen that mission for future students and all citizens of Kansas.”
