Advancing Health Care Access

- Lane County residents saw KU Medical Center health care providers 16 times via telemedicine in Fiscal Year 2014. An interactive video technology that connects providers and patients when distance separates the two, telemedicine services are provided through the University of Kansas Center for Telemedicine and Telehealth.

- Lane County residents made 7 visits to KU Medical Center health care providers in outreach clinics held outside of Kansas City in FY14.

“Jayhawks are extremely successful in many fields of endeavor with worldwide impact. We should not forget the positive impact KU business leaders and graduates have throughout the state of Kansas. Kansans benefit in so many ways from the mission of the University of Kansas. We have an obligation to protect higher education and strengthen that mission for future students and all citizens of Kansas.”
