Advancing Health Care Access

- Lincoln County residents made 6 visits to KU Medical Center health care providers in outreach clinics held outside of Kansas City in FY14.

“Working for a Kansas-based company and selling internationally requires a level of skill that is not common. My experience and education at KU helped me develop the skills I have needed to work in an international environment. The benefits of bringing revenue and capital into Kansas that is not agriculture-based is critical to Kansas and KU helps make this happen. For students to be able to get these skills local, remain local, and build careers and businesses local is imperative.”

- Clint Rogers, b’98, General Manager, Cashco, Inc., Ellsworth, KS
